

Milborne Port Community Swimming Pool - Conditions of Hire

Any problems or damage should be reported IMMEDIATELY to the people named below.

(Otherwise you could be held responsible)

Roz Barrett : 07968 257678 or Darren Bacon : 07857 696531

1. Hirers must be over 25 years of age. A hirer can be responsible for up to 4 other family children. Additional children must be accompanied by a family adult. The ratio of one family adult to four family children applies throughout the period of hire. There must be a responsible parent present throughout the booking.
2. The hirer is responsible for the pool and its surroundings throughout the period of hire and agrees to leave it in a clean and tidy condition and to remove all rubbish.
3. The hirer must respect the neighbours at all times ie: no excessive noise. Any behaviour, which is likely to cause a nuisance or is dangerous to others, should be stopped immediately. Please avoid opening windows on the side furthest from school, to minimise noise to neighbours.
4. The hirer is responsible for the safety of all persons throughout the hire period and has been made aware that someone present should hold a current 1st Aid certificate enabling them to administer Expired Air Resuscitation and External Cardiac Compression. The PTFA and school accept no responsibility for incidents arising should this condition of hire not be met.
5. The hirer must make themselves familiar with all pool signs and with the Normal Operating Procedures, (NOP) and the Emergency Action Plan, (EAP) – copies of which are kept with the first aid box on the poolside. Groups or clubs hiring the pool must provide a signature to show these documents have been read.
6. The hirer must have a fully charged mobile phone in case of an emergency.
7. If the pool becomes contaminated with vomit, blood or any other bodily excretion, during the session, the pool should be evacuated immediately and the relevant people informed.
8. There will be regular poolside checks by members of the Chemical Team, so do not be alarmed if this happens during your session.
9. General Rules:
 - Diving, jumping in and running around the pool are forbidden.
 - Use of large inflatables is forbidden if there are more than 10 people in the water.
 - The pool must not be used in poor light, if the water appears unclear or if the weather turns stormy and lightening threatens.
 - Eating, drinking & smoking are forbidden around the pool area.
 - Hand rails must not be stood on to climb out of the pool – always use the steps.
 - Rescue poles & rope are for emergency use only & must not be played with or removed from pool area.
 - A maximum of 20 people in the pool at one time.
 - The outside pool gate must be locked after use.
 - Do not tamper with the cover & roller.
 - Only open the top windows, when necessary, & if possible, avoid opening windows on side furthest from school. Windows can be left open or closed, but do not try forcing them shut.
